The Resident Center Association Board would like to invite you to attend the Board meetings to ensure we hear your input and feedback. There will be a submission form with instructions to complete available near each suggestion box on each floor.

This is an opportunity for residents to address their ideas/concerns to the Board. These ideas/concerns should be topics that impact the general population rather than a topic specific to you. The Board will select up to three submissions per quarter to present their ideas/concerns.

You will soon receive information in your external mailbox regarding this process. It is very important that we know and understand your concerns. We sincerely value your input.

The Resident Center Association Board is also looking for new resident members to join this Board. This Board is all about the Resident Center and how we can make Burcham Hills the very best experience for all.

If you are interested in joining the Resident Center Association Board, please contact Nancy Hanford at (517) 827-1043.
