LEAGUE OF WOMAN VOTERS

Join us for a presentation on Ballot Proposals and Voter Registration/change of address assistance. There will also be a short documentary film.

The League of Women Voters of the Lansing Area will present a free, non-partisan presentation on the Ballot Proposals that will appear on your November ballot.

Afterwards, you can stay for a short film, "Three Marches, Two Sisters, One Bridge", if you are interested. This moving documentary tells the story of two sisters who marched in Selma as part of the historic struggle for voting rights in America. It is a powerful and inspiring reminder of why every vote matters.

The League will also be able to register voters or assist in address changes.

Staying informed is one of the most important things a voter can do. We believe that every resident deserves access to clear, accurate information about what will be on their ballot — and the inspiration to use their voice.

The League of Women Voters has been a trusted, non-partisan resource for voter education for over 100 years, and we are proud to bring that mission directly to your community.
